

People. Purpose. Potential.

Rainy Day Recruitment is a Supply Nation Certified recruitment partner that specialises in delivering successful hiring solutions for professional, technical, and white-collar roles.

We work with SMEs, national organisations, and all levels of government to strengthen workforce capability, reduce hiring risk, and align talent with organisational purpose.

Our approach challenges the traditional transactional recruitment model. We don't just fill roles – we strengthen organisations.

“Every process we design aligns capability, culture, and risk to drive long-term organisational performance.”

Who We Are

We exist to raise recruitment standards.

Our work sits at the intersection of governance, performance, and inclusion – ensuring every hiring decision improves operational capability, mitigates risk, and supports long-term organisational outcomes.

Our Vision – To set the benchmark and be the agency of choice in Australia.

Our Mission – To empower individuals in the delivery of structured recruitment solutions that strengthen capability and support sustainable workforce performance.

Our Values

- Integrity: We are authentic in doing what is right.
- Empowerment: We give people the tools and confidence to succeed.
- Inclusion: We create equitable access to opportunity.
- Partnership: We collaborate with purpose.
- Innovation: We continually improve to elevate standards.

What We Deliver

Our core services include:

Permanent Recruitment – Evidence-based hiring focused on technical competence, behavioural alignment, and long-term contribution.

On-Hire Labour & Contract Workforce – Compliant workforce solutions including payroll, WHS, and statutory management. Structured to reduce employment and reputational risk.

Executive Search – Governance-aware recruitment for senior leadership and critical-impact roles.

RPO & Project Recruitment – Scalable, end-to-end talent acquisition delivery for organisations requiring consistency, structure, and oversight.

Unbundled Recruitment Services – Flexible targeted support including market mapping, sourcing, screening, and structured shortlisting.
